

JULIA HOFGARTNER

FIT

Challenge yourself and take your workout to the water with our Fly Air Fit. At 10'6" x 34", its fully loaded volume, extra large dimensions and super comfortable deck create the perfect platform for your training.

Connect up to 8 friends to the Fly Air Fit Platform. The Multiple high quality eyelets create a solid and secure connection when working out.

Rounding off our »workout on water« range is the brand new Fit Mat. With a compact length for smaller pools, it comes with plenty of straps and belts to progress your training.
